

Abaca

100% Vegetable Abaca

 91 cm - 35.83"

 0 cm - 0"

Richness and depth of tones for an artisanal natural united. Lushness is given thanks to the merge of the three colours. The fibres absorb tints in a rough manner, the colours of warps and bases, each one different from one another, contribute to contrasts of shades, which aim to highlight the neutral tones and intensify the coloured ones.
