

CORTINA

In the animal Kingdom the need of a shelter, of a place to stay or where to feel safe is essential for many creatures. Human beings are among them and have the same necessity. Thousand of years have been used to refine our vision of shelter and what is said is that for us our home is a constant reflection and expression of us and

of our personality. Our Cortina wallcovering talks to delicate minds in search of simplicity and subtle elegance. The special semi shiny slub yarn used in this fil posé delicately reflects the light and could give your interior the dainty aura you could be craving for.
