SOPHISTICATED TEXTILE WALLCOVERINGS

PATCHWORK SILK

The silk road has never ceased to fascinate. It's wide usage has inspired people and communities for ages. This incredible interpretation is made possible with a precise human intervention. Experienced craftsmen work on this shaped silk cuts which are

applied piece by piece, following a geometric timeless pattern. So many feelings linked to this speciality product where you might find history and modernity at the same time. The overall look is outstanding for plenty of setting options.
