

SHADES FROM NATURE

Modern wavy architectures and shiny natural stones as marble and alabaster inspired the design of this beautiful item. The pattern has many subtle shades in two elegant and delicate versions. They are digital printed on a 100% silk fabric with a silver foil base. It is possible to install as a panoramic following the three panel sequence or to buy by linear meter or yard for a random installation an a more irregular aesthetic.

Fire retardent and suitable for hospitality it is also possible to customize the color or adjust the pattern for large projects.
